The St. Louis City Senior Fund was created by a voter supported ballot initiative in November 2016. The approved legislation allows the City of St. Louis to levy and collect a property tax of five cents per hundred dollars of valuation, “for the purpose of providing services to persons sixty years of age or older.”

Our vision is for the City of St. Louis to be an aging-friendly city where older residents can age in place.

We support this vision by providing grants to local nonprofits and government entities to help older adults age in the home and community that best serves their needs and interests. All grants from the Senior Fund are directed to serve residents in the City of St. Louis who are 60 years or older.

We issue requests for proposals as funding is available, typically once a year. To receive notices for new grant opportunities, send an email to info@stlseniorfund.org with your contact information.

Funding Categories

Fund Defined Grants

Funding awarded to address needs of older St. Louis City residents in specific focus areas determined by the Senior Fund Board based on community needs assessments and other sources.

Focus areas:

1. **Fall Prevention** *(1st round of grants awarded in FY19)*
2. **Economic Security** *(1st round of grants awarded in FY19, 2nd round of grants to be awarded in FY21)*
3. **Social Isolation** *(1st round of grants awarded in FY20)*

---

1 City of St. Louis Ordinance Number 70314
4. **Homemaker Chore Services** *(1st round of grants awarded in FY20, 2nd round of grants to be awarded in FY21)*

Additional focus areas may be added over time. The Senior Fund Board is committed to reassessing funding focus areas every three to four years.

Organizations can apply for multi-year grants. Funding maximums are determined by focus area but will generally have limits up to $100,000 per year; we anticipate grant requests will range from $15,000 to $100,000 per year.

**Applicant Defined Grants**

Funding awarded to address an applicant’s determination of organizational or community need that is consistent with the Senior Fund's vision. This funding is allocated to support innovations in programs, emerging needs, and organizational capacity.

*Requests will be accepted for:*

- **Program Support** – A specific, connected set of activities or services that may not fall within the Senior Fund’s focus areas or other open funding opportunities.
- **Pilot/Innovation Projects** – Piloting of a new idea or improvement to services.
- **Capacity Building** – Efforts to enhance or improve an organization’s delivery of services through developing ability and resources (e.g., technology or equipment upgrades, strategic planning, other technical assistance).

Organizations can apply for one-year grants up to $75,000; we anticipate grant requests will range from $5,000 to $75,000.

**Organization Eligibility**

- Any organization that is, or is fiscally sponsored by, a 501c3 or City of St. Louis Governmental Entity.
- Provide services to St. Louis City residents 60 years and older.
- Have demonstrated capacity to carry out program work funded by proposed grant.
- Have policies and procedures in place to manage finances and can provide documentation of past financials (e.g., audited financial statements, IRS 990, other documentation).
- Fit within the vision and priorities of the Senior Fund.

Organizations can submit only one proposal per focus area for Fund Defined Grants and one proposal per year for Applicant Defined Grants, as the lead organization.
Award Budget

- Dollar limits vary by funding category and focus area. In the past, our grants have ranged from $10,000 to $100,000 per year.
- The Senior Fund requires that applicants do not request more than 50% of their organization’s annual budget. We also prefer that applicants do not request more than 75% of a total project cost, though we recognize that some projects or programs may require higher investment.
- Grants from the Senior Fund cannot supplant existing program and service funding. For existing programs, applicants will need to demonstrate why Senior Fund support is needed (e.g., expansion of current services).

Administrative or Indirect Expenses

Indirect expense represents the project’s share of overhead expenses (rent, phone, utilities, etc.) and administrative costs. These are expenses incurred by the applicant organization because of program or service implementation but that are not easily identifiable with a specific project. Examples include executive oversight, accounting, grants management, legal expenses, utilities, insurance, and facility maintenance.

Applicants are allowed indirect expenses of up to 12% of the direct expenses of the project.

Award Limitations

There are some things we do not fund, including:

- Grant Awards to Individuals
- Start-up Organizations
- Loans
- Scholarships
- Travel
- Conferences
- Research
- Special Events
- Film or Video Projects
- Nursing Homes and Assisted Living Facilities

Notification of Awards

Applicants will be notified if they have been selected for further consideration. A selection or designation of a successful applicant shall not be construed as an offer of engagement until and unless a grant agreement is fully negotiated. For grant
agreements to take effect, all applicable parties with the authority to bind the respective entity must sign the grant agreement.

**Inquiries**

We encourage prospective applicants to contact us at info@stlseniorfund.org or (314) 535-6964, Ext 12 with any questions. We will provide prompt responses to all inquiries within and outside of our grant process.

**Q&A from Previous Funding Rounds**

**Q:** If we receive funding in a previous year, can we apply for funding in new focus areas?

**A:** Yes.

**Q:** Is the budget timeline supposed to match the calendar year?

**A:** Unless otherwise stated in the request for proposals, the timeline typically aligns with our fiscal year which is July 1 through June 30. FY19 Grants: July 1, 2018 – June 30, 2019. FY20 Grants: July 1, 2019 – June 30, 2020. FY21 Grants: July 1, 2020 – June 30, 2021.

**Q:** Do you only fund new programs?

**A:** We fund new programs and existing programs that expand services.

**Q:** Our organization provides all the services listed in your priority funding focus areas. Could we apply for any or is there one that you think you don’t have enough applicants in?

**A:** Only one application can be submitted per organization for each focus area for Fund Defined grants. We won’t know how many applicants we have in a specific focus area until we receive all applications.

**Q:** Can we put our own experience with working with low income seniors in the application under the description of community needs in Section C?

**A:** Yes. The Board welcomes the information you can provide since you are the experts in your field.
Q: How do we navigate the Diversity Equity and Inclusion section of the application? Our organization currently works at improving this.

A: The Diversity Equity and Inclusion section of the application is a new section that was recently included in version 2.0 of the Common Grant Application. There are no right or wrong answers. Your answers will provide a valuable perspective to your capacity to address these issues. Please refer to the Common Grant Application User Guide for more information.

Q: When I list our other grant funding in the revenue section of the budget, do I list the other grants we receive as revenue?

A: Yes. You will need to list all your revenue sources for the project you are applying for with the Senior Fund. This demonstrates where your funds are coming from and what costs are still needed that the Senior Fund will cover. List those grants that are committed in the committed column and those that are pending (e.g., applied for but have not received confirmation) in the pending column.

Q: Can we submit a draft application?

A: No, but you can schedule time to meet in person or via phone with our team to discuss questions you may have regarding your application at least a week prior to the application deadline.

Q: Will the Senior Fund pay for in-home services?

A: We do not pay for in-home health care services, but some programs we support are provided within a person’s home. We current support grants focused on fall prevention, economic security (NCOA benefit check-up, utility assistance, weatherization), social isolation, and homemaker chore services. Homemaker chore services consist of services that assist with Instrumental Activities of Daily Living (IADL’s), some services may be provided in a client’s home.

Q: We are interested in applying for a fall prevention grant. If we already do a fall risk assessment could the Senior Fund provide examples of how to expand the service?

A: Organizations could utilize the funds for another case manager, for an Occupational Therapist, for a contractor to make home modifications, and/or to pay for equipment. Whatever you need to do to improve your current program and/or serve more people could be opportunities to request funding.

Q: We’ve never done the NCOA benefits screening, can we get a training?

A: Yes, we will provide training on how to use the assessment tool for case management at no cost to your organization.
Q: Does it need to be a social worker who does the NCOA BenefitsCheckup assessment or can it be a nurse case manager?
A: It can be a nurse case manager.

Q: What are the income guidelines for client eligibility?
A: It’s based on YOUR program’s policy. If you would like additional resources for considering income guidelines, we often refer to the Elder Economic Security Standard Index. This index estimates the annual income needed to meet basic needs. The index is a conservative estimate of need and does not include “extras” such as meals out, entertainment, gifts, or unplanned expenses.

Q: Is there a limit on the funds that you can spend per person?
A: It is based on your organization’s policy for your program and the type of services you are providing as to what spending limits you set per person. We will look for an explanation in your application and budget narrative as to how you arrived at estimated spending amounts.

Q: If a grant is only for a year, do you stop bringing in clients, so you can do the six-month or three-month follow up evaluation?
A: You will need to build that in your timeline. Some follow-up evaluation could occur after the end of the first year if you have the capacity to complete it.
