

Resources for Older Adults in the City of St. Louis

Twenty-two non-profit organizations receive funding from Senior Fund of St. Louis City to support services that fall under four priority focus areas identified by the Senior Fund's Board of Directors: Housing, Economic Security, Caregiving Support, and Case Management and Resource Navigation. Services supported are free—or offered at a subsidized rate—for St. Louis City residents 60 years or older. Many organizations listed have additional resources for older adults, contact them for more information.
